Whereas, the Commission initiated the process of framing regulation on Forecasting, Scheduling, Deviation Settlement and Related Matters for Solar and Wind Generation Sources. The final regulation was notified after following the procedure under the Electricity Act, 2003 and the Regulations framed by the Commission.

2. Whereas, the final regulation had been published in the official gazette for the State of Telangana on 31.05.2018. According to the regulation, timelines for compliance of certain acts and setting up certain procedure have been specified as three (3) months or as the case may be from the publication in the official gazette. However, the gazette copy was notified on the Commission's website on 04.07.2018 and there occurred a delay of one month four days.

3. And whereas, the State Load Despatch Centre of Telangana has in the reference 2<sup>nd</sup> cited required more time to comply with the timelines as specified in the regulation as the time specified has been reduced due to delay in placing in the gazette copy of the regulation on the website of the Commission and also there were other procedural difficulties.

4. Having regard to the request made by the TSSLDC and after detailed examination of the factual background, the Commission hereby agrees to the request of TSSLDC. Accordingly, the timelines specified in the regulation will commence on and from 04.07.2018 and stand extended to the extent of the delay in placing the gazette notification on the website of the Commission. This order of extension is considered and passed keeping in view the fact that there was procedural delay in placing the gazette copy of the regulation on the website of the Commission, because the Commissioner of Printing communicated the gazette copy belatedly and not otherwise.

5. The concerned stakeholders shall not deviate on the timelines now specified in furtherance of the regulation and there shall be no further extension of the timelines in future.

6. Subject to the above orders, the regulation as noted in the official gazette stands as it is without any modification.
