Respected Sir,  
Sub:- Request for opportunity to speak in public hearing on 04-03-26 at Siricilla

We would like to request you to grant us an opportunity for representing our rice industry issues at the public hearing to be conducted in Siricilla on 04-03-26.

The following issues can be allowed to be discussed -

New Power factor Regulation –

- Industry needs time for implementation with proper APFC panels. Availability and pricing is a big issue.
- Sudden jump in bills due to PF changes- Industry is expecting refund of the excess amounts already paid by millers.

Time of day tariffs(10 pm to 6 am) used to be incentivised by 1.50 per unit., this has been discontinued. So kindly restore the same.

Kindly consider our rice mills as small units across the state and exempt us from such PF rules as majority of us are working for the State Govt only under job work to supply PDS rice in the state.

Thanking you,  
Yours truly,  
Chepuri Nagaraju,  
President Boiled Ricemillers Association  
Rajanna Sreilla district
