1. This Commission has directed the TGSLDC vide letter dated 26.11.2024 to submit report on compliance of RPPO obligations of all the obligated entities for FY 2023-24. The TGSLDC vide letter dated 19.12.2024 has submitted the status of compliance of RPPO obligations for all the obligated entities for the year 2023-24. Further, TGSLDC was directed by this Commission by way of letter dated

20.01.2025 to issue notices to all the RPPO obligated entities in respect of RPPO compliance for FY 2023-24 and submit the report after considering the comments, if any, received from the obligated entities. Accordingly, the TGSLDC vide letter dated 18.03.2025 submitted a consolidated report after considering the comments of the obligated entities for determination of RPPO compliance for FY 2023-24. As per the said report, the TGSLDC stated to have issued notices to all the 50 obligated entities and on receipt of the comments, the TGSLDC has found that 27 obligated entities out of 50 have not complied with RPPO obligations for FY 2023-24.

2. On receipt of the said report, this Commission had issued notices to all the 27 obligated entities calling upon them to appear before this Commission to explain why the action shall not be initiated against them for non-compliance of directions of this Commission under section 142 & 146 of the Electricity Act, 2003.

3. In response to the said notices, 10 entities have appeared and rest of them remained ex-parte. Heard learned counsel appearing for TGSLDC and also learned counsel for the respondents.

Clause 6(5) of Regulation No. 7 of 2022 runs as under

4. As per the above referred regulation, the TGSLDC shall submit the status of the compliance of the RPPO obligations on yearly basis and initiate proceedings before this Commission for compliance verification of the obligated entities in respect of RPPO compliance. That means on receipt of the report from the TGSLDC in respect of compliance of RPPO obligation for particular year, the Commission is expected to issue notices to the obligated entities and verify the report of TGSLDC, as to whether the obligated entities have complied with the RPPO obligations for a particular year, as required under clause 3(1) of Regulation No. 7 of 2022.

5. In the case on hand, the office of this Commission has mentioned in the notice dated 22.05.2025, the orders passed by this Commission on 28.10.2024 in O. P. No. 9 of 2024, as if this Commission has verified the report of the TGSLDC in

No. 9 of 2024, it is clear that the said orders were passed in respect of verification of compliance of RPPO obligations for the year 2022-23 by obligated entities.

6. The present proceedings are taken up by this Commission under section 142 & 146 of the Electricity Act, 2003 for non-compliance of RPPO obligations for FY 2023-24. That means without determining as to which of the obligated entities have not complied with the RPPO obligations for FY 2023-24, this Commission has issued notices under section 142 & 146 of the Electricity Act, as if 27 obligated entities have committed default in complying the RPPO obligations for FY 2023-24.
