ORDER

In the matter of amendment of the distribution and retail supply licence granted to M/s. Northern Power Distribution Company of Telangana Limited (TGNDPCL) under Section 18 of the Electricity Act, 2003.

1. Northern Power Distribution Company of Telangana Limited (TGNDPCL) has filed a petition seeking amendment of the distribution and retail supply licence granted earlier to M/s. Northern Power Distribution Company of Telangana Limited (TGNDPCL) extending its services to all the consumers of Co-operative Electric Supply Society Limited (CESS) under Section 18 of the Electricity Act, 2003 mentioning that the Government of Telangana vide G.O. Rt.No.7, Dated 02-04-2026 directed the Chairman & Managing Director, TGNDPCL to initiate steps for filing a petition before the Commission, to amend the licence granted to TGNDPCL with a view to extending the scope of its licence to include the consumers of Cooperative Electricity Supply Society Ltd (CESS), Sircilla, Rajanna Sircilla District.
2. Accordingly, TGNDPCL filed a petition to “Consider and approve Northern Power Distribution Company of Telangana Ltd (TGNDPCL) request for amendment of distribution licence (No.14 of 2000), retrospectively to be effective from 01-04-2026 in the following manner:

Amending the area of “Warangal Urban, Warangal Rural, Jayashankar (Bhupalpalli), Jangoan, Mahabubabad, Karimnagar, Jagitial, Peddapalli, Rajanna (Sircilla), Khammam, Badradri (Kothagudem), Nizamabad, Kamareddy, Adilabad, Mancherial, Nirmal, Komaram Bheem (Asifabad) districts including cantonment, aerodrome, fortresses, arsenal, dockyard or camp or any building or place in occupation of Central Government for defence purposes and without however affecting the rights of any other Licence or exemption holder, as the case may be, under Section 14 of the Electricity Act, 2003” and by adding

“Warangal, Hanamkonda, Jayashankar (Bhupalpalli), Mulugu, Jangoan, Mahabubabad, Karimnagar, Jagitial, Peddapalli, Rajanna (Sircilla) (Including the consumers of Cooperative Electricity Supply Society Ltd (CESS), Sircilla), Khammam, Badradri (Kothagudem), Nizamabad, Kamareddy, Adilabad, Mancherial, Nirmal, Komaram Bheem (Asifabad) districts including cantonment, aerodrome, fortresses, arsenal, dockyard or camp or any building or place in occupation of Central Government for defence purposes and without however affecting the rights of any other Licence or exemption holder, as the case may be, under Section 14 of the Electricity Act, 2003.”

Background of TGNPDCL:

3. The erstwhile Andhra Pradesh Electricity Regulatory Commission (APERC) has granted licence (Licence No. 14 of 2000) on 29.12.2000 under Section 15 of the Andhra Pradesh Electricity Reform Act, 1998 (Andhra Pradesh Act No. 30 of 1998) to the Northern Power Distribution Company of Andhra Pradesh Limited (APNPDCL), a company incorporated under the Companies Act, 1956 and having its registered office at 1-7-668, Postal Colony, Hanumakonda, Warangal - 506 001 for carrying on the business of distribution and retail supply of electricity within the area of supply of Warangal, Khammam, Karimnagar, Nizamabad and Adilabad districts for a period of 30 years.
4. Consequent on formation of Telangana State w.e.f. 02.06.2014, the APNPDCL has been renamed as TSNPDCL duly excluding seven (7) mandals viz., Chintoor, Kunavaram, Vararamachandrapuram, Kukunuru, Velairupadu, Badrachalam (excluding Badrachalam town) and part of Burgampadu (excluding twelve (12) revenue villages), which have become part of residuary

State of Andhra Pradesh and merged with the then existing APSPDCL and APEPDCL respectively on the appointed dated i.e., 02.06.2014.

5. During FY 2016-17, State Government of Telangana vide G.O.Ms.No.225, 234 and 240 dated 11.10.2016, has issued orders for reorganization of districts and formation of new districts in the State of Telangana. Accordingly, seven (7) revenue mandals under the territorial jurisdiction of TSNPDCL have been merged with Siddipet district of TSSPDCL, Gundala mandal of Nalgonda which is under the territorial jurisdiction of TSSPDCL has been demerged/hived off and merged with Jangaon district under the territorial jurisdiction of TSNPDCL. The Government of Telangana vide G.O.Ms.No.20 dated 23.02.2019 has re-transferred the Gundala mandal from TSNPDCL jurisdiction to TSSPDCL and with regard to the transfer of assets and liabilities, the TSSPDCL has taken over the network of Gundala mandal w.e.f. 02.04.2019 which was during the FY 2019-20. Accordingly, the assets and liabilities of Gundala are incorporated in TSSPDCL in FY 2019-20.
6. The Commission in its order dated 17.03.2017 in O.P.No. 4 of 2017, has allowed the name of the licence to be the Northern Power Distribution Company of Telangana Limited (TSNPDCL) in place of APNPDC. In the wake of the State Government issuing U.O. Note No.4634/Genl, L&C/ 2024, dated 17.05.2024 to replace all references to “TS” with “TG” in the nomenclature of all State PSUs, Agencies, Autonomous Institutions and other government bodies, TSNPDCL has replaced the abbreviated form of the company from TSNPDCL to TGNPDCL and also to use the revised logo in all official documents.

Background of CESS:

7. In exercise of the powers conferred by sub-section (4) of section 14 of the Andhra Pradesh Electricity Reforms Act 1998 (Act No, 30 of 1998), the Government of Andhra Pradesh vide G.O.Ms.No.22 on dated 30.01.1999, granted the Provisional Licence to continue the distribution and supply of electricity as specified in G.O.Ms.No.1000 Public Works dated 25.05.1970 to the Siricilla Rural Electric Co-operative Society Limited , Siricilla , Karimnagar District for a period of one year.

8. On the recommendation of the then Government of Andhra Pradesh vide Lr.No.365/Pr.II/2000 dated 31.01.2000 , the erstwhile APERC has issued licence to M/s. Siricilla Rural Electric Co-operative Society Limited vide O.P. No. 23/1999 on 31.01.2000 for supply of power to the consumers in their respective areas of operation for a period of one year with effect from 01.02.2000 till 31st January, 2001 with a condition that it shall remain in force until it is revoked. Subsequently, on the recommendation of the then Government of Andhra Pradesh, the validity of licence was extended from time to time from 01.02.2001 to 09.06.2004 vide orders / proceedings dated 31.01.2001, 28.03.2002, 30.03.2003, 23.03.2004 in O.P.No 23 of 1999.
9. Further, on recommendation of GoAP vide Letter No. 80/Pr.II(2)/2000-13 dated 05.06.2004 , APERC vide exemption order No. 46, dated 15.06.2004 exempted the Co-operative Electric Supply Society, Sircilla , Karimnagar district from the application of provisions of section 12 of the Electricity Act, 2003 for the period of one year from 10.06.2004 to 09.06.2005 under section 13 of the Electricity Act, 2003. Subsequently on the recommendation of Government of Andhra Pradesh, APERC has extended the exemption for a further period from 10.06.2005 to 31.03.2015 vide orders / proceedings dated 09.06.2005, 04.04.2008, 13.04.2009, 22.08.2011, 14.07.2012, 10.05.2013, 15.04.2014 and 06.05.2014.
10. Based on the recommendation of the Government of Telangana vide Lr.No.390/Budget/2015-2 dated 29.04.2015, TSERC vide proceeding No. TSERC/Secy/1/2015, dated 12.05.2014 extended the exemption for a further period of one year from 01.04.2015 to 31.03.2016. Later based on the recommendation of Government of Telangana, the Commission has extended the exemption for the further period from 01.04.2016 to 31.03.2026 vide orders / proceedings dated 11.11.2016 and 31.03.2021. The exemption period has expired by 31.03.2026.
11. The Commission vide order dated 28.08.2020 in O.P.No. 5 of 2020 considering the request of the CESS modified the exemption issued to CESS on 11.11.2016 and allowed the CESS to undertake power supply beyond 75 kW / 100 HP upto 1500 kVA subject to enhancing the strength of the personnel to meet the requirement of providing additional service and directed the CESS to make

arrangement for taking over / establishing necessary technical facilities for extending power supply upto 1500 kVA in coordination with the respondent/licensee (NPDCL) and to regularise the existing multiple LT services in the same premises which are above the 100 HP and bill them accordingly. At the same time the Commission allowed the licensee (NPDCL) to take all necessary steps to facilitate the CESS to undertake supply of power upto the capacity of 1500 kVA. In doing so the TGNPDCL shall ensure that its activity of universal service obligation under its licence in terms of the Act, 2003 shall not be deviated from, till the time the CESS obtains regular licence.

12. As per section 13 of the Electricity Act, 2003, in order to consider exemption of licence for distribution of electricity, the recommendation of the state Government is mandatory. Without recommendation received from the Government of Telangana, this Commission cannot pass any orders giving exemption in favor of the CESS. The CESS has filed an application before this Commission seeking exemption for supply of electricity for a further period of five years with effect from 01.04.2026 to 31.03.2031. The CESS has also submitted the application to the Government of Telangana for continuation of exemption for distribution of licence beyond 31.03.2026.
13. This Commission has not received any communication from Government of Telangana recommending the continuation of exemption for distribution of electricity without licence to CESS under section 13 of Electricity Act, 2003. In order to ensure that there is no interruption of the services to the consumers of the CESS and that since the area of supply of CESS falls entirely within the geographical boundaries of TGNPDCL's licenced area, vide Proceeding Procds.No. 10 /Tariff/TGERC Date: 31.03.2026, the Commission, in exercise of its powers under Section 15 read with Section 18 of the Electricity Act, 2003 provisionally directed TGNPDCL to extend all the services including distribution and retail supply of electricity to all the consumers of CESS on a transitional basis, until further orders.
14. TGNPDCL vide letter dated 01.04.2026 has submitted that it has taken over the distribution and retail supply of electricity in CESS Ltd, Sircilla area on transition basis to extend electricity supply to all the services and consumers of CESS with effect from 01.04.2026.

ADMISSION OF PETITION

15. The petition submitted by TGNPDCL was scrutinised and found to be in order as required under 'Conduct of Business' Regulations, 2015 (Regulation No. 2 of 2015) and TGERC Regulation No 04 of 2016. The petition was admitted and taken on record by assigning the Original Petition (O.P.) 08 of 2026.

PUBLIC NOTICE

16. TGNPDCL, as directed by the Commission and in terms of clause 17 of Regulation No. 4 of 2016 published a public notice in one (1) English, two (2) Telugu and one (1) Urdu daily newspapers on 11.04.2026 (Annexure I). The public notice was to inform the stakeholders and general public at large that TGNPDCL has filed petition for amendment of licence before the Commission. It was also notified in the said public notice that, objections /suggestions / comments on the petition may be filed with the petitioner on or before 11.05.2026 with a copy marked to the Commission Secretary. The petition was also posted on the official website of TGNPDCL as well as on the website of the Commission.

RESPONSE TO PUBLIC NOTICE

17. In response to the public notice, objections/suggestions/comments were received from 1211 stakeholders. The details of stakeholders who submitted objections/ suggestions is enclosed as Annexure II.

OBJECTIONS / SUGGESTIONS / COMMENTS OF STAKEHOLDERS, REPLIES OF TGNPDCL AND COMMISSION'S ANALYSIS AND FINDINGS

18. The following is the analysis of the objections/suggestions of the stakeholders who have given in writing and the Commission's view in the matter of present proposal of amendment of licence of TGNPDCL.

Stakeholder's submissions

Supporting the amendment of TGNPDCL licence

19. Some of the stakeholders have expressed that, not extending the exemption given to the CESS for distribution of electricity is good for the betterment for the consumers of the CESS and beneficial to the farmers.
20. Some of the stakeholders have submitted that after taking over the electricity distribution operations by TGNPDCL, they have been observing significant

developments at field level in terms of administration, technical management and services to the consumers. The officials of the TGNPDCL have discussed with officers, staff and consumers of the CESS area in respect of system management, procurement procedure, standards of work execution, employee welfare, consumer services and overall governance. All the consumers and employees of the CESS have been expressing their positive response for the management by TGNPDCL.

21. Further, the stakeholders submitted that during the regime of CESS, they have identified irregularities in the material procurement and inventory management, lack of transparency in preparation of estimates, execution and supervision of distribution works, in release of pending agricultural connections, employee welfare and work environment, technical standards and system reliability, financial discipline and accountability, safety culture and compliance, strengthening of 33 kV interlinking system, implementation of Unified Service Charges (USC) System, etc. A few other stakeholders have also stated that the officials of the CESS have not provided proper services to the consumers as per the directions of the CESS management. They have welcomed merger of CESS into TGNPDCL.
22. Stakeholders further submitted that after taking over of distribution management from CESS, the TGNPDCL has improved quality of management at every stage including technical inspections, financial accountability, compliance with rules and regulations, multi-level approvals and inspections, periodic reviews and audits, standardization of works and procurement, consumer grievance redressal system have been put in place, a more disciplined and accountable administrative system has been established under TGNPDCL.
23. Some of the stakeholders submitted that during the management of CESS, they have not received quality, impartial and uninterrupted services in CESS area on par with the services received by the consumers of DISCOMs. TGDISCOMs which are state owned companies are rendering services with utmost accountability but on the other hand, the same is not observed in the CESS region.

24. Further few stakeholders mentioned that CESS was being managed under the influence of political leaders and stated that an enquiry committee was already formed on the financial irregularities of CESS.
25. Other stakeholders mentioned that CESS employees are working with low wages without promotions and without hike in wages in CESS when compared to existing TGDISCOMs and requested to merge CESS with TGNPDCL in order to receive the quality services to the consumers of CESS on par with existing TGDISCOMs

Opposing the amendment of TGNPDCL licence

26. One of the stakeholders have given a brief history of CESS and stated that if the petition of TGNPDCL is allowed, it would in substance result in takeover, functional substitution and eventual extinguishment of the existing co-operative electricity distribution structure of CESS and the Commission is required to examine the real legal effect of the petition and not merely the form in which it is presented. CESS has existed and functioned under law, served a defined area and built a direct local institutional relationship with consumers. The earlier exemption granted to CESS and the pending prayer already made by CESS before the Commission for renewal / extension / continuation of protection under law cannot be bypassed or rendered infructuous by an indirect route. A transitional supply arrangement, even if made from 01.04.2026 for continuity of power, cannot by itself amount to a permanent transfer of the CESS field of operation to TGNPDCL. There is no estoppel against statute; executive arrangements cannot override the statutory scheme of the Electricity Act, 2003.
27. Further stated that Section 18 of the Electricity Act, 2003, read with the applicable TGERC Distribution Licence Regulation, 2016, cannot be construed as a carte blanche to effect a de facto takeover of an existing co-operative distribution institution. Where the practical result of amendment is structural displacement, the Commission must apply the strictest standards of legality, proportionality, transparency and public interest.
28. The stakeholder referred to the order of Hon'ble Supreme Court in Siemens Engineering, S.N. Mukherjee and Kranti Associates, wherein it was held that authorities exercising administrative or quasi-judicial power must record reasons. Mohinder Singh Gill makes it clear that the validity of a statutory order

must be judged by the reasons stated in the order itself. Hence, the final decision in the present matter must contain clear findings on all material issues.

29. The Commission must specifically consider: (i) the pending request of CESS for renewal / extension / continuation; (ii) the legal status and consequences of non-extension of exemption; (iii) the treatment of CESS assets, liabilities, receivables, infrastructure, records and contractual relations; (iv) consumer rights and local grievance redressal; (v) employee implications; and (vi) whether less drastic alternatives can preserve public interest without extinguishing CESS.
30. If any audit report, study, administrative recommendation, expert evaluation or financial analysis is relied upon for the proposed action, the same must be disclosed to CESS to the extent relied upon. Without disclosure, there can be no meaningful defence and no real hearing. CESS is a rural co-operative electricity institution with local accountability and historical significance. The law itself recognises cooperative participation in electricity distribution through the exemption framework. Therefore, continuance of CESS is itself a legitimate statutory and public-interest option requiring serious consideration. The stakeholder is not opposing the continuity of electricity supply or lawful regulation but opposing only the proposed takeover and replacement of CESS without a distinct, transparent and legally sustainable process and without fair consideration of own prayer of CESS for continuation and renewal / extension.
31. The stakeholder requested the Commission to consider conditional continuation of CESS, regulatory supervision, escrow/payment-security mechanisms, subsidy discipline, independent audit-based corrective measures, operational reforms and phased compliance rather than allowing immediate takeover by TGNPDCL. For these reasons, the TGNPDCL petition deserves rejection or, in the alternative, should be kept pending until the prayer of CESS for renewal / extension / continuation is adjudicated on merits after full disclosure and hearing.
32. Some of the stakeholders objected to merge the CESS into TGNPDCL in view of the consumers belonging to CESS jurisdiction have been receiving quality services and the CESS running successfully in profits from the last 56 years.

33. Some of the stakeholders submitted that, with the support of the Central and State Governments and with the share contributions made by stakeholders, the consumers, established the CESS institution about 56 years ago. From that time till today, CESS has been continuously providing uninterrupted and quality power supply without major difficulties to the power loom cottage industry of the Padmashali community in Sircilla town, as well as to commercial, domestic, and rice mill consumers. And stated that CESS had received awards from the Central Government for rendering the services to the consumers but it is observed that the State Government is in the process of merging CESS with TGNPDCL due to wrong allegations from few other stakeholders.
34. The Stakeholder has requested the Commission to look into the following matters:
- As CESS being a cooperative institution, taking a unilateral decision by the Government regarding the merger or dissolution of the institution without the approval of the General Body would be contrary to the provisions of the Cooperative Act. Without releasing a “White Paper” on the financial position of the CESS institution, details of outstanding dues, and the tariff charges after the merger, and without conducting public consultation, it would amount to misleading the public.
35. In Sircilla and Vemulawada Assembly constituencies, there are 13 mandals comprising 253 villages. In these villages, around 3,41,000 electricity consumers having metered connections are members, shareholders, and rightful stakeholders of CESS.
36. Without receiving objections from these electricity consumers by the Commission, without conducting meetings with the members, and without providing the share value/benefits due to the members, proceeding hastily with the merger into TGNPDCL is not appropriate. And requested before the merger, that the Government must deposit the pending electricity dues of Rs. 787 crores payable to the CESS institution into the CESS account.
37. As per the High Court judgment, electricity arrears amounting to Rs. 41 crores and 78 lakhs must be immediately recovered from the wealthy business owners. A forensic audit should be conducted on the institution’s assets and on the management/administration of the past 8 years. The Commission should

conduct a direct public hearing in Sircilla itself on these issues. Until clarity is provided on these points, stakeholder requested that the proceedings in O.P. No. 08 of 2026 be kept in abeyance/stopped. Otherwise, in the interest of the public, objector conveyed that they will be compelled to approach the Hon'ble High Court.

38. Some of the stakeholders requested for renewal of the exemption of Licence granted to CESS stating that in the event of the licence not extended / renewed, they may protest against the Government.

Petitioner's Replies

39. Petitioner submitted that the Government of Telangana vide G.O Rt.No.6, Dated:02.04.2026 has issued orders to the Chairman and Managing Director, TGNPDCL, Warangal to take appropriate steps to merge the distribution and retail supply of electricity in the Cooperative Electric Supply Society Limited (CESS), Sircilla, Rajanna Sircilla District area with TGNPDCL under section 86(2) of the Electricity Act, 2003 to serve consumers with improved accountability and prevent irregularities in Management committee as so many irregularities are taking place due to non-efficient functioning of CESS management committee.
40. It is further submitted that, the Government of Telangana vide G.O Rt.No.7, Dated:02.04.2026 has issued orders and directed the Chairman and Managing Director, TGNPDCL, Warangal to initiate steps for filing a petition before the Commission to amend the licence granted to TGNPDCL with a view to extending the scope of its licence to include the consumers of Cooperative Electric Supply Society Limited (CESS), Sircilla, Rajanna Sircilla District.
41. Further submitted that the Commission had already conducted a Public Hearing on 04.03.2026 with regard to ARR and Retail Supply Tariff proposals for FY 2026-27, during which the issue relating to extension of the distribution licence of TGNPDCL to cover the CESS area was also raised.
42. Accordingly, the petitioner submitted that TGNPDCL filed a petition to amend the distribution licence.

Commission's Analysis and Findings

43. The Commission has carefully examined the submissions of the stakeholders expressing their views in respect of amendment of licence of TGNPDCL, so also the replies submitted by the petitioner. All the objections / suggestions / comments submitted by the stakeholders and corresponding responses of the petitioner have been considered by the Commission. For the sake of brevity, the objections/suggestions raised by stakeholders and the responses of the petitioner have been consolidated and summarised. Any specific suggestion(s) not finding elaboration in this order shall not be construed as not being considered.

a) One of the objectors has submitted that the merger amounts to extinguishment of a statutory cooperative institution without due process. With reference to the said objection, the Commission is of the view that the present proceedings are for amendment of TGNPDCL's distribution licence under Section 18 of the Electricity Act, 2003. The Commission's order does not dissolve CESS as a cooperative society as that is a matter governed by the Telangana Co-operative Societies Act, 1964. The Commission has taken up the exercise of amending TGNPDCL's licence to include the area of supply of CESS, consequent upon the expiry of CESS's exemption and the Government of Telangana's decision to merge the distribution and retail supply functions. CESS's exemption having expired on 31.03.2026, it no longer has the legal authority to distribute electricity in its area of supply. The amendment of licence is therefore a necessary regulatory measure to ensure continuity of supply to consumers and to provide TGNPDCL with the legal authority to operate in the CESS area. The objection is noted and disposed of accordingly.

b) The other objection raised is that approval of General Body of CESS is required for the merger. As already observed that this order is limited only to amendment of TGNPDCL's distribution licence under the Electricity Act, 2003. The question as to whether the General Body of CESS is required to approve the merger of CESS as a cooperative society is governed by the Telangana State Cooperative Societies Act, 1964 and is outside the jurisdiction of this Commission. Even otherwise

CESS is not being merged with TGNPDCL through these proceedings. Accordingly, the objection, insofar as it relates to the present proceedings is noted and disposed of accordingly.

- c) In so far as one of the objections raised that Section 18 cannot be used to effect a de facto takeover of an existing cooperative distribution institution is concerned it is clear that Section 18 of the Electricity Act, 2003 empowers the Commission to amend a licence on the application of the licensee. The present petition is a straightforward application by TGNPDCL for amendment of its distribution licence consequent upon the Government of Telangana's directions vide G.O.Rt. No.7. The Commission is not ordering a takeover. The Government of Telangana has, in exercise of its executive authority, decided to merge the distribution and retail supply of electricity in the Cooperative Electric Supply Society Limited (CESS), Sircilla, Rajanna Sircilla district area with TGNPDCL vide G.O.Rt.No.6 and the Commission's role is confined to giving regulatory effect to this decision by amending TGNPDCL's licence. The Commission's action is fully within the scope of Section 18 and is legally sustainable. The objection is noted and disposed of accordingly.
- d) On the issue of outstanding dues, forensic audit and White Paper must precede any merger, the Commission notes that demands for a forensic audit, publication of a White Paper and recovery of outstanding dues before the merger are matters that relate to the administration of CESS as a cooperative society and are to be addressed by the appropriate Government authorities under the Cooperative Societies Act. These are not matters within the jurisdiction of this Commission in the present proceedings. The objection is noted and disposed of accordingly.
- e) On Retrospective effect of Licence amendment, the petitioner has prayed for the licence amendment to be effective retrospectively from 01.04.2026, the Commission, vide its Proceedings dated 31.03.2026, provisionally directed TGNPDCL to take over the distribution and retail supply functions in the CESS area with effect from 01.04.2026. TGNPDCL has been operating in the CESS area on the basis of this provisional direction since 01.04.2026. All actions of TGNPDCL in the

CESS area since 01.04.2026, including billing, collection, network maintenance and consumer services, have been carried out under the authority of the Commission's provisional direction. Making the formal licence amendment effective from 01.04.2026 provides the necessary legal continuity and ensures that TGNPDCL's actions from 01.04.2026 onwards are backed by a valid formal licence. The Commission accordingly holds that retrospective effect from 01.04.2026 is legally justified and in the public interest.

- f) One of the stakeholders while opposing the proposal of amendment of TGNPDCL licence has submitted that the Commission may also consider the treatment of CESS assets, liabilities, receivables, infrastructure, records and contractual relations, etc. In respect of this objection is concerned, the Commission is of the opinion that the settlement of CESS assets, liabilities, receivables, infrastructure, records and contractual relations, etc., will have to be considered by the Government of Telangana.

44. On careful perusal of all the objections / suggestions given by various stakeholders in this petition, it is clear that most of the stakeholders have misdirected themselves to the core issue of whether or not the licence given to TGNPDCL can be amended, so as to ensure that there shall be reliable supply of electricity and services to the consumers of CESS area. This issue is nothing to do with the issue as to whether the CESS has been/has not been properly administering the supply of electricity to its consumers and whether or not the management of the CESS has misused the CESS in respect of distribution of electricity to its consumers and whether there was any misappropriation etc., This Commission has not formally received any communication from the Government of Telangana except G.O. Rt. No 06, (Energy (HR.A2) Department) 02.04.2026 & G.O. Rt. No 07, (Energy (HR.A2) Department) 02.04.2026 in respect of continuation or otherwise of exemption given to the CESS beyond 31.03.2026.

45. Section 12 and 13 of the Electricity Act 2003 read as under:

“ 12. Authorised persons to transmit, supply, etc., electricity :

No person shall (a) transmit electricity; or (b) distribute electricity; or (c) undertake trading in electricity, unless he is authorised to

do so by a licence issued under section 14, or is exempt under section 13

13. Power to exempt :

The Appropriate Commission may, on the recommendations, of the Appropriate Government, in accordance with the national policy formulated under section 5 and in public interest, direct, by notification that subject to such conditions and restrictions, if any, and for such period or periods, as may be specified in the notification, the provisions of section 12 shall not apply to any local authority, Panchayat Institution, users' association, co-operative societies, nongovernmental organizations, or franchisees”.

46. In accordance with the Section 13 of the Electricity Act, 2003 the Commission may on the recommendation of the state Government exempt the cooperative societies from grant of licence for distribution of electricity. The Commission further notes that the exemption which was given to the CESS on the recommendations of Government of Telangana has expired on 31.03.2026. In the scenario of non-receipt of recommendation for exemption of licence to CESS under section 13 of Electricity Act, 2003 and in order to ensure continuity of electricity supply to the consumers of CESS with effect from 01.04.2026, and that since the area of supply of CESS falls entirely within the geographical boundaries of TGNPDCL's licenced area, the Commission vide Procds.No. 10 /Tariff/TGERC Date: 31-03-2026, in exercise of its powers under Section 15 read with Section 18 of the Electricity Act, 2003, provisionally directed TGNPDCL to extend all the services including distribution and retail supply of electricity to all the consumers of CESS on a transitional basis, until further orders.

47. Further the Government of Telangana vide G.O. Rt. No 06, (Energy (HR.A2) Department) 02.04.2026 communicated that Government decided to merge the distribution and retail supply of electricity in the Cooperative Electric Supply Society Limited(CESS), Siricilla, Rajanna Siricilla District area with TGNPDCL under section 86 (2) of the Electricity Act, 2003 to serve consumers with improved accountability and prevent irregularities in Management committee as so many irregularities are taking place due to nonefficient functioning of

CESS Management Committee and directed the Chairman & Managing Director TGNPDCL, Warangal to take appropriate steps to merge the distribution and retail supply of electricity in the Cooperative Electric Supply Society Limited(CESS), Siricilla, Rajanna Siricilla District area with TGNPDCL.

48.The Government of Telangana vide G.O. Rt. No 07, (Energy (HR.A2) Department) 02.04.2026 directed the CMD TGNPDCL, Warangal to initiate steps for filing a petition before the Commission to amend the licence granted to TGNPDCL with a view to extending the scope of its licence to include the consumers of CESS, Siricilla.

49.One of the objectives of the Electricity Act, 2003 and the regulations made by this Commission from time to time under the electricity Act, 2003 is to see that every consumer is supplied with reliable and affordable power in every nook and corner of the state. As per section 12 of the Electricity Act 2003, the electricity shall be supplied either by licence holder or any other entity which has got the exemption under section 13 of the Electricity Act, 2003. The CESS was given exemption until 31.03.2026 to distribute the electricity to the consumers of CESS. As the Government has not recommended for continuation of exemption given to the CESS beyond 31.03.2026, a vacuum was likely to be created in respect of distribution of electricity to the consumers of CESS beyond 31.03.2026. Accordingly, the proceedings were given by this Commission on 31.03.2026 as stop gap arrangement, in order to see that there is no vacuum in distribution of electricity to the consumers of CESS.

50.The proposed amendment of licence of TGNPDCL is only to enable the TGNPDCL to distribute the electricity to the consumers of CESS with effect from 01.04.2026. None of the stakeholders who have raised the objections have mentioned any valid and tenable grounds as to why the licence of TGNPDCL cannot be amended. As already submitted, the very purpose of amending the licence of the TGNPDCL is to see that the consumers of CESS are supplied with reliable power supply and to extend all the services to the consumers of CESS. In case if this amendment is not allowed, then there shall be vacuum in respect of supply of electricity and extension of service to the consumers of CESS. As the exemption given to CESS has not been extended beyond 31.03.2026, the license of the TGNPDCL shall be required to be

amended suitably enabling the distribution of power to the consumers of CESS with effect from 01.04.2026. Accordingly, all the objections which were received against the amendment of licence of TGNPDCL are not tenable and thereby rejected.

51. In view of the above, TGNPDCL's petition for amendment of its distribution licence (Licence No. 14 of 2000) is allowed. The area of supply of TGNPDCL is amended with effect from 01.04.2026. The amended area of supply of TGNPDCL shall read as follows: "Warangal, Hanamkonda, Jayashankar (Bhupalpalli), Mulugu, Jangoan, Mahabubabad, Karimnagar, Jagtial, Peddapalli, Rajanna (Sircilla) (Including the consumers of Cooperative Electricity Supply Society Ltd (CESS), Sircilla), Khammam, Badradri (Kothagudem), Nizamabad, Kamareddy, Adilabad, Mancheri, Nirmal, Komaram Bheem (Asifabad) districts including cantonment, aerodrome, fortresses, arsenal, dockyard or camp or any building or place in occupation of Central Government for defence purposes and without however affecting the rights of any other Licensee or exemption holder, as the case may be, under Section 14 of Electricity Act, 2003."

52. For the foregoing reasons and discussions, the application is allowed to the extent indicated above. The petitioner is directed as below:

- a) TGNPDCL shall ensure reliable supply of electricity to all consumers hitherto served by CESS in Rajanna Sircilla district and shall extend to them the same quality of service as is provided to its other consumers;
- b) The tariff determinations and revenue requirements approved by the Commission in its Order dated 30.03.2026 in O.P.No.83 of 2025 for the area of supply of CESS for FY 2026-27 shall continue to apply and shall bind TGNPDCL in respect of the CESS area until a fresh tariff determination is made by the Commission;
- c) The Government of Telangana is directed to make necessary arrangements for transfer of applicable subsidy amounts to TGNPDCL in respect of consumers in the former area of supply of CESS with effect from 01.04.2026 in accordance with Section 65 of the Electricity Act, 2003;

- d) All pending consumer complaints, CGRF matters and compliance directives relating to the CESS area shall stand transferred to TGNPDCL's jurisdiction with effect from 01.04.2026;

Accordingly, this petition is disposed of.

This Order is typed to dictation, corrected and signed on this 19th day of May, 2026.

BEFORE THE HONOURABLE TELANGANA ELECTRICITY REGULATORY COMMISSION Vidyut Niyamtran Bhavan, G.T.S Colony, Kalyan Nagar, Hyderabad- 500 045.	
 NORTHERN POWER DISTRIBUTION COMPANY OF TELANGANA LIMITED	
PUBLIC NOTICE O. P. No. 08 of 2026	
In the matter of according approval for amending the distribution and retail supply licence granted earlier to M/s. Northern Power Distribution Company of Telangana Limited (TGNPDCL) extending its services to all the consumers of Co-operative Electric Supply Society Limited (CESS) under Section 18 of the Electricity Act, 2003. 1. Whereas the erstwhile Andhra Pradesh Electricity Regulatory Commission (APERC) has granted license (License No. 14 of 2000) on 29.12.2000 under Section 15 of the Andhra Pradesh Electricity Reform Act, 1998 (State Act No. 30 of 1998) to the Northern Power Distribution Company of Andhra Pradesh Limited (APNPDL), a company incorporated under the Companies Act, 1956 and having registered office at #1-7-668, Postal Colony, Hanamakonda, Warangal for carrying on the business of distribution and retail supply of electricity within the area of supply of erstwhile districts of Warangal, Khammam, Karimnagar Nizamabad and Adilabad Districts for a period of 30 years. The Government of India enacted the Andhra Pradesh Reorganisation Act, 2014 (Central Act No. 6 of 2014) carving out two new states of Telangana and Andhra Pradesh. Consequent thereto and after the State of Telangana coming into being as such, the erstwhile APNPDL has been renamed as Northern Power Distribution Company Limited of Telangana State (TGNPDCL). 2. Whereas the Government of Telangana (GoTG) has reorganized the districts for better administration and development of the areas comprised therein and for matters connected therewith as per the Telangana Districts Formation Act, 1974 and Telangana District Formation Rules, 2016. Pursuant to the said Acts, the GoTG has issued G.O.s. with Nos. 221 to 235 dated 11.10.2016 in respect of formation of reorganization of district, revenue divisions and mandals in the Telangana state. Consequent to the district reorganization, the TGNPDCL has amended its licensee as per the Telangana district reorganization consisting of 17 districts that is Warangal Urban, Warangal Rural, Jayashankar (Bhupalpalli), Jangoan, Mahabubabad, Karimnagar, Jagtial, Peddapalli, Rajanna (Sircilla), Khammam, Badradri (Kothagudem), Nizamabad, Kamareddy, Adilabad, Mancherla, Nirmal, Komaram Bheem (Asifabad) Districts. 3. And whereas the GoTG has again reorganized the districts for better administration and development of the areas comprised therein and for matters connected therewith as per the Telangana Districts Formation Act, 1974. Pursuant to the said enactment, the GoTG has further issued G.O.s vide G.O. Ms. No. 18, Revenue (DA - CMRF) Department dated 16.02.2019 for formation of Mulugu District duly reorganizing the existing Jayashankar (Bhupalpalli). Further the GoTG have issued orders for transfer of Gundala Mandal from Jangoan District to Bhongir Revenue Division of Yadadri Bhongir District in G.O. Ms. No. 20, Revenue (DA - CMRF) Department dated 23.02.2019. 4. As per the above orders, 17 districts which were under jurisdiction of TGNPDCL have been reorganized to 18 districts as shown below. 1) Warangal Urban, 2) Warangal Rural, 3) Jayashankar (Bhupalpalli), 4) Mulugu, 5) Jangoan, 6) Mahabubabad, 7) Karimnagar, 8) Jagtial, 9) Peddapalli, 10) Rajanna (Sircilla), 11) Khammam, 12) Badradri (Kothagudem), 13) Nizamabad, 14) Kamareddy, 15) Adilabad, 16) Mancherla, 17) Nirmal and 18) Komaram Bheem (Asifabad). 5. Whereas the GoTG has issued orders vide G.O. Rt. No. 6 and 7 dated 02.04.2026 with respect to merging the distribution and retail supply of electricity in the Co-operative Electric Supply Society Limited (CESS), Sircilla, Rajanna Sircilla District area with TGNPDCL to serve the consumers with improved accountability and prevent irregularities consequently directed the TGNPDCL to initiate steps for extending its services to the supply area of CESS. Therefore, the TGNPDCL has sought amendment for the existing schedule-I.	
"Warangal Urban, Warangal Rural, Jayashankar (Bhupalpalli), Jangoan, Mahabubabad, Karimnagar, Jagtial, Peddapalli, Rajanna (Sircilla), Khammam, Badradri (Kothagudem), Nizamabad, Kamareddy, Adilabad, Mancherla, Nirmal, Komaram Bheem (Asifabad) districts including cantonment, aerodrome, fortresses, arsenal, dockyard or camp or any building or place in occupation of Central Government for defence purposes and without however affecting the rights of any other Licensee or exemption holder, as the case may be, under Section 14 of Electricity Act, 2003" and by substituting with the following: "Warangal, Hanamkonda, Jayashankar (Bhupalpalli), Mulugu, Jangoan, Mahabubabad, Karimnagar, Jagtial, Peddapalli, Rajanna (Sircilla) (Including the consumers of Cooperative Electricity Supply Society Ltd (CESS), Sircilla, Khammam, Badradri (Kothagudem), Nizamabad, Kamareddy, Adilabad, Mancherla, Nirmal, Komaram Bheem (Asifabad) districts including cantonment, aerodrome, fortresses, arsenal, dockyard or camp or any building or place in occupation of Central Government for defence purposes and without however affecting the rights of any other Licensee or exemption holder, as the case may be, under Section 14 of Electricity Act, 2003." 6. The application along with enclosures and the existing licence are available at the corporate office of TGNPDCL as well as the offices of the Superintending Engineer of the existing circles as well as the new proposed circle of Sircilla. The application and all other documents can be inspected during office hours and if required obtain copies of the same from the above said offices on payment of reasonable charges not exceeding photocopying charges. The said documents are also placed in the websites of TGNPDCL as well as TGERC (www.tgerc.telangana.gov.in). 7. The Commission desires that the stakeholders, interested persons and others in the matter and public at large may offer their comments, objections and suggestions on the proposed amendments. The comments, objections and suggestions shall be filed in the form prescribed in Regulation No. 2 of 2015 being Conduct of Business Regulation available on the website of the Commission at www.tgerc.telangana.gov.in. The comments, objections and suggestions shall be filed in 6 copies and addressed to the Secretary within 30 days from the date of the publication of the notice. 8. The Comments and suggestions may be filed either in writing addressed to the Secretary TGERC at the above address or sent by email to secy-tgerc@telangana.gov.in. However, in the event of objection, mailing the objections, 3 sets of hard copies have to be sent by post for confirmation. The comments, objections and suggestions should be filed before the Commission on or before 5.00 PM on 11.05.2026 with a copy of such comments served to TGNPDCL for its response.
