Consumer Advocacy

5.1. Standards of Performance (SoP) of Licensees'

- 5.1.1. TSERC (Licensees' Standards of Performance) Regulation, 2016 as amended from time to time contains provisions relating to
- (a) guaranteed SoP, being the minimum standards of service that a distribution licensee shall achieve to individual consumers;
 - (b) overall service Standards which the licensee shall seek to achieve in the discharge of obligation as a Licensee; and
 - (c) compensation payable and manner of payment of compensation to consumers for non-compliance of the Standards in terms of provisions of Section 57 of the Act, 2003
- 5.1.2. Consumer participation in Electricity Regulatory process is necessary and important to ensure transparency and accountability. The Act 2003 requires the Commission to consult stakeholders on important policy and regulatory matters before arriving at any decision.
- 5.1.3. Regulatory matters were brought in the public domain through publication of Public Notice in daily newspapers, issuing Press Releases and also by placing the matter on the website of the Commission seeking suggestions/comments from the interested persons and stakeholders.
- 5.1.4. The Commission believes that consumer satisfaction is key to the effectiveness of DISCOMs. While DISCOMs are addressing consumer complaints, the Commission has observed that a significant number of complaints continue to surface during public hearings. To enhance consumer satisfaction, the Commission deemed it prudent to engage directly with consumers and advocate for their rights. As part of this initiative, the Commission prepared a Standard Operating Procedure (SOP) in the vernacular language and distributed it free of cost at all meetings.
- 5.1.5. During these interaction programs, the Commission received several complaints, which were subsequently forwarded to

DISCOMs for necessary action. Feedback indicated that many of these complaints were successfully resolved, leading to increased consumer satisfaction. In addition to addressing complaints, the Commission also emphasized consumer rights and focused on enforcing standards of performance.

ii). As per the program scheduled by TSERC, Hon'ble Governor for the state of Telangana has graced the foundation stone laying ceremony and laid the foundation stone on 08.12.2021. Meanwhile the allocation of the said land was contested by Sri B.Ravi Kumar Yadav & others before the Hon'ble High Court in WP No 8292 of 2021 seeking to set aside the allotment of the said land claiming ownership of the land. The Hon'ble High Court had passed orders on 20.06.2022 setting aside the aforesaid allotment to TSERC. The orders of Hon'ble High court were received by this office on 22.12.2022.

iii). Soon on receipt of the orders, Commission vide its letter under Lr.No.TSERC/Secy/L-85/ D.No.102/2023 Dated:21.02.2023 requested the Principal Secretary to Government, Revenue Department, to take steps for filing an appeal before the Hon'ble High Court against the order dt:20.06.2022 to safeguard the interest of the Government.

iv). Further the Commission vide letter under Lr.No.TSERC/Secy/L-85/D.No.160/2023 Dated:20.03.2023 also requested the Chief Secretary to Government to take immediate steps for filing an appeal against the orders of Hon'ble High Court Dt:20.06.2022.

v). The Commission decided to handover the land to the revenue authorities of Hyderabad district as the Commission has not received any communication in response to the letters dated 21.02.2023 & 20.03.2023, and vide its letter dated 24.04.2023 and requested the District Collector, Hyderabad to take over the possession of the land on or before 01.05.2023.

vi). Considering this office letter dated 21.02.2023 & 20.03.2023 which were addressed to the Principal Secretary to Revenue Department and Chief Secretary of Telangana State respectively, the Revenue ULC Department vide Memo.No. 25415/ULC (1)/2021, Date 26.05.2023 directed the District Collector, Hyderabad to examine the matter and take necessary steps including filing of appeal in the matter.

vii). Meanwhile Sri Banda Vishwanath Yadav submitted a letter dated:01.08.2023 stating that they are the owners of the land in TS 7, Block L Ward No.83, Khairtabad, Hyderabad which has been allotted to this Commission and hence contested the matter and filed W.P.Nos.8292, 25859 & 33645 of 2022 in the Hon'ble High Court which have been allowed. Further Hon'ble High Court vide orders dt:20.06.2022 quashed the proceedings of handing over advance possession of the said land to this Commission. In compliance with the said Court orders they have requested for handing over the peaceful possession of the land claiming to be the rightful owners.

viii). In the light of orders of Hon'ble High Court, the said land cannot be retained under the possession of TSERC and had to vacate the premises. Hence to avoid any trespassing on Government property and encroachment by the claimants, Commission addressed letters dated 08.08.2023, 16.08.2023 and 24.08.2023 to the Collector & Additional Collector, Hyderabad District reiterating the request to take over the possession of the land immediately. The Commission has also informed of the decision to withdraw the security to the land.

The Commission is yet to receive the instructions from the Government. It is learnt that the Government of Telangana has filed appeal in the Hon'ble High Court vide Writ Appeal No 31 of 2024.

x). In view of the orders to set aside the land allotment by the Hon'ble High Court the expenditure incurred for the purpose of fencing and other works for Rs. 6,55,408/- which was kept under CWIP in the financial year 2021-22 is now booked as revenue expenditure.

B). An extent of 4,403 Square Yards of Land allotted by TSSPDCL at Kalyan Nagar, Near CTI, Yousufguda Village, S.R. Nagar besides Banjara hills circle office, Hyderabad:

i). Under section 82 (2) of the Electricity Act, 2003 the Commission has the power to acquire, hold and dispose of property both movable and immovable. As the Commission is not having permanent building / accommodation since inception, exercising the power to hold property it has taken steps to acquire land from the Government organization (TSSPDCL) and is undertaking construction of building.

ii). Subsequent to the setting aside orders of 1,862 Sq Yards of Government land allotted to TSERC by the Hon'ble High Court, the Commission vide letter no 417/2022, dated 01.08.2022 requested the CMD/TSSPDCL with a copy to the Special Chief Secretary, Energy Department GoTS, for allotment of 1.50 acres of land for construction of TSERC office building. Accordingly vide Lr.No.EE/Civil/MZ/ F.Handing over land/D.No. 862/2022-23, dated 18.08.2022, TSSPDCL has allotted and handed over the TSSPDCL land admeasuring to 4,403 Sq meters beside the Banjarahills circle office, Kalyan Nagar on 18.08.2022 to TSERC.

iii). In accordance with Section 86 (1) (g) of the Electricity Act, 2003 the Commission is empowered to levy fee for the purpose of this Act. Accordingly the Commission is levying and collecting fees from the licensees, exempted licensees, generating entities etc., in pursuance to the TSERC Regulation no 02 of 2016 (Levy of fees for various services rendered by the Commission) and is having sufficient balance to construct the new building. Accordingly, the Commission has decided to take up the work with the internal funds only and avoid burden to the Government exchequer. Further the Government of Telangana has issued TSERC fund rules, 2015 and accordingly the TSERC fund has been created and maintained. Since the fund is created by the Government and has been established by the Commission all the amounts received are directed to the said fund account only. Also, it is to be stated that Section 86 (1) empowers the Commission to discharge the functions and Section 103 (2) empowers the Commission to apply the fund to discharge its

functions under the Act, 2003. Thus, expending the amount towards construction of building would fall into the expenses to be incurred towards discharge of functions under the Act, 2003.

iv). The Commission having taken over the possession of the land parcel from TSSPDCL had initiated steps to construct the office building with the internal funds available with the Commission. The Commission has accorded administrative approval for an amount of Rs. 38.51 Crs for construction of Vidyut Niyamtran Bhavan with a built-up area of 71,633 sq ft consisting of Block-A (Stilt + 5 floors) and Block-B (Stilt + 2 floors for court hall and meeting hall) as per super ECBC compliance and net zero energy building concept for official use of TSERC, without seeking any budgetary support from the Government.

v). In pursuance of the above decision, the Commission has called for the tenders on 30.11.2022 by placing on the e-procurement website of GoTS for transparent selection of the Architect / Contractor as also the TSERC website for construction of net zero energy building. The work has been awarded duly following rules of GoTS in vogue.

vi). Further the Commission requested the Government of Telangana to nominate an officer as the member for opening and finalizing the building construction related tenders. Accordingly the Government of Telangana vide Letter.No.41/Budget/A1/2022-1,Dt:19.01.2022 has nominated the Project Director / TSREDCO as Member of the Committee.

vii). Later on, Commission vide letter no 686/2022, dated 03.12.2022 submitted the proposals to Government of Telangana explaining the decision of Commission to construct net zero building and calling the tenders by placing the tenders in e-procurement website of GoTS for arranging/issuing transfer of 4,403 sq yards TSSPDCL land in Sy No 145 (Part) at Kalyannagar near CTI Erragadda, Hyderabad district by permitting alienation by TSSPDCL in the name of TSERC at an early date. The same was considered by the Government of Telangana and vide letter no 1757 dated 22.12.2022 called the remarks from TSSPDCL, for which the CMD/TSSPDCL vide letter no 260/22-23, dated 07.01.2023 requested the GoTS to alienate the 4,403 Sq yards of TSSPDCL land to TSERC. Further the CMD/TSSDPCL vide letter no 3/23, dt 01.04.2023 informed that the land allotment is at free of cost. The alienation orders are awaited.

viii). Subsequently, the Commission vide its letter dated 11.10.2022 has applied for building construction permission and addressed letter to the Commissioner / Chief City Planner, GHMC Hyderabad stating that an application is being filed online seeking approval of the GHMC for construction of its building and requested to accord the permission at an early date. In response to the above, the GHMC has issued demand notice dated 15.12.2022 for payment of Rs. 3,65,01,299/- towards building permission fee

for construction of Vidyut Niyantran Bhavan at Kalyan Nagar, Yousufguda village, Hyderabad.

ix). The Commission being a quasi-judicial body, vide its letter no 714, dated 16.12.2022 requested the Government of Telangana to exempt the Commission from payment of Rs. 3,65,01,299/- towards the building permit fee and cause to issue necessary orders. Accordingly, the Government of Telangana vide G.O.Rt.No.5 (MA&UD(Plg.III) Department, dated 04.01.2023, after careful examination of the matter as a special case exempted the TSERC from payment of Rs. 3,65,01,299/- to GHMC for construction of office building at Kalyan Nagar and consequently the GHMC has accorded permission for construction vide order dated 22.02.2023.

x). The Commission requested the CMD TSGENCO to spare the services of experienced civil engineers for executing the Vidyut Niyantran Bhavan construction work, who in turn have assigned the Executive Director / Civil / Hydel for the work. Accordingly, his team is assisting the Commission in execution of work, quality check, vetting of drawings, estimates, tenders, bills etc. The Commission has sought for deputation of qualified engineers in civil engineering from TSSPDCL, they posted an Assistant Engineer / Civil and Executive Engineer / Civil to monitor and supervise the construction work. Presently the construction work is under active progress and is expected to be completed in the coming few months.

xi). The Commission found difficulty in identifying a place for installation of Distribution Transformer and connected High Tension network along with necessary built up of greenery space in line with the concept adopted for construction of the building with a target to achieve IGBC platinum rating and net zero energy and also to develop more greenery space in the compound. The Commission requested the TSSPDCL vide letter dated 02.11.2023 for allotment of additional land. Accordingly vide letter dated 04.12.2023 TSSPDCL has allocated and handed over 338 Square Yards of additional land (5 meters x 56.5 meters) continuous to the already handed over 4,403 Sq Yards land to TSERC. The said land is also taken over by TSERC on 04.12.2023. The Commission requested the Government of Telangana to alienate the above additional land in the name of TSERC, the alienation orders are awaited.

xii). Further the Commission vide letter dated 13.12.2023 submitted a detailed report to the Government of Telangana on construction of Vidyut Niyantran Bhavan with the internal funds of TSERC without seeking budgetary support from the Government.

xiii). The Commission vide letter dated 12.01.2024 submitted the budget proposals for the FY 2024-25 to the Government of Telangana and intimated in form D-7 which was communicated by the Government, stating that the TSERC Vidyut Niyantran Bhavan is under construction and the Commission has accorded administrative approval for construction of building for an

amount of Rs. 38.51 Crores. The building is constructing with internal funds available with TSERC and till 31st March, 2023 an expenditure of Rs. 20.65 lakhs is incurred.
