3.1. Tariff filings

3.1.1. As per provisions of Section 64 of the Act, it is incumbent upon the Licensee to make an application to the Commission for determination of tariff in such manner and upon such terms as may be specified by the Regulations framed by the Commission.

3.1.2. The Licensees have sought permission from the Commission to file ARR for Retail Supply Business for FY 2015-16 on annual basis in view of the projection of energy availability, estimation of power purchase cost for the entire control period and Tariff uncertainty and the Commission, had granted permission to the Licensees for filing of ARR for Retail Supply Business only for FY 2016-17.

3.1.3. According to the Regulation No.4 of 2005, the Licensees were expected to file the necessary petitions for the approval of ARR and tariff for FY 2016-17 by 30th November 2016. However, the licensees have not filed the petitions by 30th November.

3.1.4. The Licensees have requested the Commission for extension of time for filing of ARR and Tariff proposal petitions from time to time. The main reasons stated by the licensees for seeking such extensions were the analysis of upcoming lift irrigation schemes to be energized in the ensuing year and the pending policy decisions of the State Government on

- supply of 9 hours power to agricultural consumers in the day time,
- takeover of loans under the Ujwal Discom Assurance Yojana (UDAY) scheme by the Government of Telangana. According to the licensees these decisions were to have a significant impact on the financials and revenue requirement of the Licensees.

3.1.5. The extensions of time for filing of ARRs were filed jointly by the licensee in S. R. Nos. 60, and 61 of 2015 and S. R. Nos. 4, 7, 9, 10 and 12 of 2016 from time to time. The Commission has granted extension of time up to 05th February, 2016. The Licensees have filed the petition for ARR retail supply tariff approval on 08th March, 2016. After careful consideration of the reasons given by the Licensees, the Commission is of the view that the delay is neither willful nor wanton, therefore, the delay in filing is condoned by the Commission.

The Separate Audit Report containing the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment received vide letter No. PAG(Audit)/ES(Power)/TSERC/AA-14-16/2017-18/07 Dated 04.09.2017 is furnished hereunder.

**SEPARATE AUDIT REPORT OF THE COMPTROLLER & AUDITOR GENERAL
OF INDIA ON THE ACCOUNTS OF TELANGANA STATE ELECTRICITY
REGULATORY COMMISSION, HYDERABAD FOR THE YEAR ENDED 31ST
MARCH, 2016**

1. We have audited the attached Balance Sheet of **Telangana State Electricity Regulatory Commission (TSERC)** as on 31st March, 2016 and the Income and Expenditure Account/Receipts and Payments Account for the period from 01.04.2015 to 31.03.2016 under section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with Section 104 (2) of the Electricity Act, 2003. These financial statements are the responsibility of the TSERC's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards, disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity), efficiency-cum-performance aspects etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.
3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
4. Based on the preliminary observations made by us, the accounts of the Commission have been revised. **Due to revision, the excess of Income over expenditure has been increased by Rs.14.03 lakh and total assets and liabilities of the balance sheet have also been increased by Rs.14.77 lakh.**

5. Based on our audit, we report that:
- i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - ii. The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format approved by the Committee of Experts formed by Central Government subject to our comments.
 - iii. In our opinion, proper books of accounts and other relevant records have been maintained by the TSERC as required under section 104 (1) of the Electricity Act, 2003 in so far as it appears from our examination of such books.
 - iv. We further report that:

(A). Comments on Accounts:

Income and Expenditure:

Income – Fees (Schedule 7) : Rs.8.39 Crore

1. During the year 2015-16, TSERC had received Rs.53.76 lakh from the licensees towards Vidyut Ombudsman expenditure and this amount was treated as income under Schedule 7. Against this an amount of Rs.38.07 lakh was spent towards revenue expenditure during the year 2015-16. The inclusion of balance amount (Rs.53.76 lakh – Rs.38.07 lakh) had resulted in overstatement of income over expenditure for the year by Rs.15.69 lakh. Consequently the capital fund was overstated by Rs.15.69 lakh and current liability (others) was understood by Rs.15.69 lakh.

Expenditure: Pension & Retirement Benefits (Schedule 10)

Paid to TSERC Employee Pension Trust (item 3 b) : Rs.2.76 Crore

2. The above does not include an amount of Rs.3.88 Crore being the current year contribution towards superannuation liability funding to be payable to the LIC, for the year 2015-16. Due to above omission, ‘Establishment Expenses (Schedule - 10)’ as well as Current Liabilities (Schedule – 2) were understood by Rs.3.88 crore with consequential impact of overstatement of ‘Excess of Income over Expenditure’ by similar amount

Significant Accounting Policies (Schedule – 12)

3. Regarding Leave Encashment and Gratuity stated vide Accounting Policy No.9 of Schedule – 12 (Significant Accounting Policies) is not factually correct as it should make suitable provision for terminal benefits of gratuity and leave encashment in the financial statements.

Format of Accounts

4. The common format of accounts of autonomous organizations prescribed by the committee of experts would be applicable, in the interest of transparency and comparability, to all autonomous bodies governed by separate acts of Parliament and where CAG is the sole auditor. However, the format adopted by the TSERC did not reflect references to Notes to accounts and Significant Accounting Policies relating to Fixed Assets and Grants in the Balance Sheet (Schedule 24 as per prescribed format).

(B) Grants-in-Aid:

Out of the grants-in-aid of Rs.5.13 crore received during the said period, TSERC utilized the entire amount leaving Nil balance as unutilized grant as on 31.03.2016.

- i. Subject to our observations in the preceding paragraph, we report that the Balance Sheet and Income and Expenditure/Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.
- ii. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Notes, and subject to the significant matters stated above and other matters mentioned in the Annexure to this Separate Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India.
 - a) In so far as it relates to the Balance Sheet of the state of affairs of the Telangana State Electricity Regulatory Commission as at 31 March, 2016; and
 - b) In so far as it relates to the Income and Expenditure Account of the surplus for period from 01.04.2015 to 31.03.2016.
