Chapter 3 – Tariff Orders

3.1. Tariff filings

3.1.1. In accordance with the provisions of Section 64 of the Act, it is incumbent upon the Distribution Licensees to make an application to the Commission to determine the tariff in such manner and terms as may be specified by the Regulations framed by the Commission.

3.1.2. The Distribution Licensees have to file ARR and proposals for Retail Supply Tariff for the entire Control Period from FY 2014-15 to FY 2018-19. However, they sought permission from the Commission to file ARR for Retail Supply Business for FY 2017-18 on annual basis in view of the uncertainty of projection of energy availability and estimation of power purchase cost for the entire Control Period and Tariff. The Commission permitted filing of ARR for the Retail Supply Business (RSB) only for FY 2017-18 vide its Lr. No. TSERC/Tariff/DD(T-Engg)/T-03/2015D.No. 708/16 Dt.19.11.2016.

3.1.3. The Distribution Licensees were to file their ARR and Tariff proposals for FY 2017-18 on or before 30.11.2016, so as to make available to the Commission the statutory time of 120 days for determination of Tariff for FY 2017-18 commencing April 1, 2017. The Distribution Licensees filed only the ARR for FY 2017-18 on 30.11.2016 and sought additional time in multiple instalments for filing of tariff proposals citing certain reasons. Considering the requests of the DISCOMs, they have failed to file the tariff proposals and instead sought further time for filing the same vide the letters dated 15.01.2017 and 31.01.2017 seeking time up to 28.02.2017. The Commission vide its letter dated 17.02.2017 directed the DISCOMs to file the tariff proposals by 23.02.2017 and in default of the suo-motu proceedings for determination of retail supply tariff for FY 2017-18 would be initiated.

3.1.4. The DISCOMs vide the letters dated 23.02.2017 and 06.03.2017 further sought additional time for filing the tariff proposals for FY 2017-18 lastly up to 15.04.2017. The tariff proposals for FY 2017-18 have been filed by the DISCOMs on 13.04.2017. The DISCOMs submitted that while it had put in all the efforts for filing the tariff proposals on time, the delay in filing was

mainly attributable to the participation of Telangana State in UDAY and signing the MoU in this regard on 04.01.2017 and the initiative of Ministry of Power, GoI for examining and recommending the options for simplification and rationalisation of consumer categories and tariffs. Citing the above reasons, the DISCOMs requested the Commission to condone the delay in filing of tariff proposals for FY 2017-18. The DISCOMs in their tariff proposals for FY 2017-18

3.1.5. The Commission finds that although the DISCOMs have cited one of the reasons for delay as rationalisation of consumer categories and tariffs, nothing of that sort has been proposed in their tariff proposals for FY 2017-18. On the other reason of delay i.e. participation in UDAY, the DISCOMs have stated that the delay is on account of ascertaining the quantum of benefits under UDAY that could be passed on to the consumers.

3.1.6. The Commission expresses its extreme displeasure on the inordinate delay in filing the tariff proposals by the DISCOMs. The DISCOMs, in their tariff proposals, have not submitted any material information on the reasons cited for delay in its various correspondences with the Commission. The objective of the Electricity Act 2003 is to protect the interests of the consumers and the Licensees. Although the delay in filing the tariff proposals is not desirable, it is also not desirable to determine the tariffs without considering the benefit of participation in UDAY, which should be passed on to the consumers with immediate effect. Hence, the Commission finds it appropriate to condone the delay in filing of tariff proposals by the DISCOMs. We expect the DISCOMs to adhere to the terms and conditions agreed to in the UDAY MoU in respect of filing of ARR on time from next year without fail.

**SEPARATE AUDIT REPORT OF THE COMPTROLLER AND AUDITOR
GENERAL OF INDIA ON THE ACCOUNTS OF TELANGANA STATE
ELECTRICITY REGULATORY COMMISSION, HYDERABAD FOR THE
YEAR ENDED 31ST MARCH, 2017**

1. We have audited the attached Balance Sheet of **Telangana State Electricity Regulatory Commission (TSERC)** as at 31st March, 2017 and the Income and Expenditure Account/Receipts and Payments Account for the period from 01.04.2016 to 31.03.2017 under section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with Section 104 (2) of the Electricity Act, 2003. These financial statements are the responsibility of the TSERC's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards, disclosure norms, etc. Audit observations on financial transaction with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity), efficiency-cum-performance aspects etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.
3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
4. Based on the preliminary observations made by us, the accounts of the Commission have been revised. **Due to revision, the excess of Income over**

expenditure has been increased by Rs.6.17 lakh and total assets and liabilities of the balance sheet have also been increased by Rs.19.64 lakh.

5. Based on our audit, we report that:

- i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii. The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have partially been drawn up in the format approved by the Committee of Experts formed by Central Government.
- iii. In our opinion, proper books of accounts and other relevant records have been maintained by the TSERC as required under section 104 (1) of the Electricity Act, 2003 in so far as it appears from our examination of such books.
- iv. We further report that:

Comments on Accounts:

Balance Sheet

Assets

Fixed Assets (Schedule -3) : Rs.60,31,704

1. This includes an amount of Rs.3,99,314 in respect of assets pertaining to the Vidyut Ombudsman. As these assets do not belong to the TSERC, the same should not have been accounted for as the assets of the Commission. This resulted in overstatement of Fixed Assets and Capital Fund by Rs.3,99,314.

Liabilities

Current Liabilities and Provisions (schedule-2) - Rs.7,10,01,461

Gratuity on superannuation - Rs.60,79,335

2. In the absence of actuarial valuation to ascertain the actual liability towards gratuity on superannuation, audit could not authenticate the veracity of the provision for liability – gratuity for superannuation accounted for by the Commission.

Income and Expenditure Account:

Expenditure

Other Administrative expenses

State Vidyut Ombudsman Expenditure

3. The TSERC received an amount of Rs.66,99,000 from the Licensees towards Vidyut Ombudsman (which is not part of TSERC) expenditure which is treated as income under schedule-7. Against this, an amount of Rs.55,31,878 was spent which was treated as Other administrative expenses under schedule – 11 during the year 2016-17. The treatment of income and expenditure relating to Vidyut Ombudsman through the Income and Expenditure Account of the TSERC has resulted in overstatement of Income over expenditure for the year by Rs.11,67,122. Consequently, the Capital fund was overstated by Rs.11,67,122. Though similar audit observation was commented in the previous year accounts, TSERC continued the same practice without proper justification.

(B) Grants-in-Aid:

Out of the grants-in-aid of Rs.5.38 crore received during the said period, TSERC utilized the entire amount leaving Nil balance as unutilized grant as on 31.03.2017.

- v. Subject to our observations in the preceding paragraph, we report that the Balance Sheet and Income and Expenditure/Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.
- vi. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Notes and subject to the significant matters stated above and other matters mentioned in the Annexure to this Separate Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India.

- a) In so far as it relates to the Balance Sheet of the state of affairs of the
Telangana State Electricity Regulatory Commission as at 31 March, 2017;
and
- b) In so far as it relates to the Income and Expenditure Account of the surplus
for period from 01.04.2016 to 31.03.2017.
